END-USER LICENSE AGREEMENT FOR THE INCLUDED FONTS:

This End-User License Agreement ("EULA") is a legal agreement between you (Daniel Jenson Motoko, 138A Vicksburg St., 94114 San Francisco, US) and Zetafonts (Ligature s.r.l. via Ghibellina 100 - 50122 Firenze, IT) for the digital typeface software - here after "fonts" included in this package:

# Brushstrike

## Web @font-face License

**licence code: 'b2y-c9s4owi/15331'**

to: Daniel Jenson Motoko

Our End-User License Agreement ("EULA") grants a business entity ("YOU") the following rights:

01] You can make archival copies of the fonts for your own purposes.

02] You may modify the fonts for your own purposes, but the copyright remains with Zetafonts, and you are not allowed to distribute renamed, edited or derivative works, either for profit or not.

03] Fonts can included as a part of your product as webfonts located on your website. No reselling of the font as a font software is allowed: the application or websites cannot have the sale of user-entered phrases rendered in the licensed fonts as their main purpose (e.g. logo making softwares, etc.) - for those uses a worldwide license is needed.

Zetafonts states it owns full intellectual property rights in the typeface and font software, and guarantees that the typeface and font software does not infringe any rights, including any intellectual property rights, of third parties.

Zetafonts expressly disclaims any further warranty for the fonts. The fonts and any related documentation is provided "as it is" without warranty of any kind, either express or implied, including, without limitation, the implied warranties or merchantability, fitness for a particular purpose. The entire risk arising out of use or performance of the fonts remains with you. In no event shall Zetafonts or its suppliers be liable for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use this product, even if Zetafonts has been advised of the possibility of such damages. Because some states/jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you.
